RSVP –20th July

Celebrity Speaker

Peter Sinclair from the Gold Coast is an accomplished speaker, with over 20 years experience. He is the Chairman of the OE Group of Companies whose current business interests include the web development, publishing, business seminar and musical theatre industries. Aside from being a best-selling author, Peter is passionate about inspiring others to become all that they can be.

Peter remembers the night vividly. He was only a boy when he ran in front of a car. It was late at night, and he knew for a fact that an angelic force stood between him and the headlights of the vehicle,

and that it wasn't time to leave this earth. Then there was the time when his son was raised from the dead in his arms. And then at another time Jesus turned up in his dreams one morning and instantaneously and miraculously healed his frozen shoulder.

Brought up as an Anglican by his parents, Peter was in church from the day he was born. But growing up he remembers vividly as a boy attending a Billy Graham Crusade in Sydney where he rejected the first call from the Lord Jesus. Unlike his mates, who went down the front when the altar call was made, Peter, ever single-minded and never one to follow the crowd, stayed put.

But at the age of 17, while attending a Christian Youth Camp, he found himself one night tucked up all alone in his sleeping bag, kneeling at the side of his bed crying his eyes out as he finally yielded to Jesus as Lord and Saviour. Peter will tell you more of his Christian experience of how he was baptised in the Holy Spirit and from that day forward his life has never been the same. During a time of prayer and fasting God called Peter into business and he now counts it an awesome privilege to spread the Good News of Jesus wherever he goes.
