From the Adelaide South Chapter

Healing Heart Ministries (part of Adelaide South chapter) is holding a healing training seminar with special guest speaker, Curry Blake, to be held at the Adelaide Christian Centre (CRC), 27 Sturt Street, Adelaide from Thursday evening October 30, to Saturday November 1.

Curry Blake is the Over-seer of John G. Lake Ministries and also runs the Dominion Christian Fellowship in Dallas. Curry was born in Jasper, Texas. When he was 17 months old, he was run over by his father as he was backing out his car. The car ran over Curry's head and the doctors told his parents to prepare for his funeral. His mother prayed that if God spared his life that she would train Curry to serve Him.

As Curry came out of surgery, the doctors told his parents that he would be severely handicapped for the rest of his life. So his mother prayed again, saying to God that Curry would be useless to Him unless he was completely healed.

Today Curry is completely healed and suffers no permanent damage from the accident.

Please come along and hear Curry as he shares about healing and how it can impact your life. Curry operates by faith in every way and so asks no fee but a free-will offering will be taken up. A work manual also available for \$25.00.

For further information, please contact the Adelaide South Chapter President, Rodney Harris on 0416-142-437.

From the Adelaide East Chapter

From Friday October 24 to Sunday October 26, the Adelaide East Chapter is combining with Teen Challenge to hold a training and equipping camp at the Toc H Campsite at Victor Harbor.

This will be a fantastic opportunity for spiritual and personal growing, learning, and empowering, for young people. The main speakers for this event will be Raf Shaw and Mike Arthur, along with several speakers from FGB.

This is also a great opportunity for FGB members to make some deeper connections with the people and leaders of Teen Challenge here in SA. There will be range of ministry and teaching sessions and finishes with Sunday morning worship at the beach, which should be truly unique.

The campsite can accommodate 50 people, with priority for young people associated with Teen Challenge, while an additional 50 people can attend as day visitors but will have to organise their own accommodation.

Please consider coming and supporting this Adelaide East venture and contact Chapter President Rhys Hewett for more details, or email Teen Challenge at tc@tc.asn.au.
